To the Stevens Community:

I am writing to inform you that Friday, July 12th, was Ms. Jennifer McDonough's last day as Vice President for Development and Alumni Engagement (VPDAE) at Stevens.

Effective immediately, Associate Vice President Dawn DaSilva will oversee the day-to-day operations of the Division of Development and Alumni Engagement. I am grateful to Dawn and the entire team for their positive attitude and strong commitment to implementing an ambitious set of development and alumni engagement programs in FY20. I and other members of the leadership team have, in turn, committed to providing all necessary support to Dawn and the Development and Alumni Engagement staff during this period of transition.

We plan to launch a search for the VPDAE position in the very near future and will keep the Stevens community apprised of next steps and timeline.

Per aspera ad astra,

Nariman Farvardin
President
