To the Stevens Community:

With the final days of a generation-defining year approaching, I would like to take this opportunity to reflect on all that we have overcome together this year. 2020 was to have been a year of celebrations of our 150th anniversary. While we did not anticipate the challenges that 2020 brought, I am thankful for how we have responded—thoughtfully, collegially, swiftly, and with our students foremost in our priorities. Stevens remains strong and is poised to forge ahead once this pandemic is over.

I am pleased to share with you this [brief video](#) highlighting the impressive accomplishments of Stevens this fall. I invite you to share this video with colleagues, friends, and family members.

I send you my very best for the close of 2020 and a healthy, enjoyable, and restorative holiday.

Warm wishes,

Nariman Farvardin
President
