November 26, 2019

To Stevens Faculty and Staff:

On Wednesday, December 4, 2019 from 3:00 - 4:30 p.m. in DeBaun Auditorium, I will present an update on major developments across all areas of the university and provide the annual benchmarking report which compares the progress of Stevens to five peer universities. At the conclusion of this update, I and the Vice Presidents will be available to answer questions and address comments.

A reception for faculty and staff attending the Conversation with the President will follow in Gateway Hall South (note this new location) from 4:30 – 6:00 p.m. Please join us to enjoy informal conversation in our magnificent new building and to hear a musical performance by colleagues Kelland Thomas, Michael zur Muehlen, and William Aeberhard.

I hope that all faculty and staff will join me at this meeting to keep informed of the tremendous progress that Stevens is making.

*Per aspera ad astra,*

Nariman Farvardin  
President
