

March 25, 2022

To Faculty, Staff and Students:

I am pleased to announce the formation of two search committees: one for the Vice President for Enrollment Management and the other for the Vice President for Student Affairs.

Stevens will be partnering with the global executive search firm, WittKieffer, to fill these positions. As articulated in the [announcement](#) to the community on March 17, these roles are critical for elevating the importance of enrollment management and strengthening the university's commitment to student-centricity. A broad and inclusive group of colleagues and students will work to identify the best candidates for these positions and to recommend the slate of finalists for each role.

I am immensely grateful to Dr. Lou Mayer and Dr. David Zeng who have agreed to chair the committees and the following colleagues who have agreed to serve on the committees:
