To All Faculty and Staff:

Over the last decade, Stevens has made incredible progress across all areas of the university — from the size and academic profile of our student body, to the impact of our faculty in teaching and in leading edge areas of research, to our finances, facilities, IT infrastructure, student life initiatives, institutional reputation, alumni engagement and philanthropy and so much more.

Please take a moment to watch [this video](#) about a new initiative to enhance and strengthen our university culture, a survey of all faculty and staff by an independent third party called **Great Place to Work**. This survey will launch on December 5 and seeks your input to help make Stevens a better place.

You will be receiving an email from Great Place to Work (hello@invite.emprising.com) on December 5. The email is legitimate even if you find it in your “junk” or “other” Outlook email inbox. The survey will be open from December 5 through December 16 and will only take about 15 minutes to complete.

Thank you in advance for your help.

Per aspera ad astra,

Nariman Farvardin
President
