

Office of the President

Viewing Opportunity of Recent *Conversation with the President*

From: Office of the President

To: Stevens Faculty and Staff

As you may be aware, President Farvardin typically holds one *Conversation with the President* per semester on a Wednesday afternoon when faculty and staff can attend in person without conflicting teaching/course schedules. However, the most recent *Conversation with the President* was scheduled at a time when some faculty could not attend.

Therefore, to accommodate those on-campus colleagues who could not attend on September 16, we are making available a recording of the presentation on Wednesday, October 1, 2025, from 3 – 4 pm. The viewing will be held in the Howe Center's 3rd floor Fielding Room. This will be a viewing of the recording only. President Farvardin will not be able to attend in person.

For planning purposes, kindly complete this [registration form](#) by Monday, September 29, if you plan to attend.
