To the Stevens Community:

I am pleased to share with you the annual [Strategic Plan Progress Report for Year 9](#), marking the period of FY21 (July 1, 2020-June 30, 2021) and enrollment and related statistics for Fall 2021.

Stevens has made remarkable progress during the past year—exceeding a number of goals one year ahead of schedule—despite the challenges that the pandemic continued to present.

As we aggressively pursue the goals of our 2012-2022 strategic plan, *The Future. Ours to Create.*, we are actively developing an inclusive and ambitious plan for the next decade. I am confident that the foundation that we have laid over the last nine years will put Stevens in a very strong position for the future.

The contribution that each of you has made to our collective progress has put Stevens on this steep upward trajectory. With your continued engagement, we will aim even higher in the next decade.

Per aspera ad astra,

Nariman Farvardin
President
