

STEVENS

SUSTAINABILITY NEWSLETTER

VOL 2. ISSUE 1

STEVENS SHUTTLE

Stevens Shuttle provides free shared ride services to help reduce the community's carbon footprint. From July 2022 to July 2023:

- Emitted 9% less carbon dioxide than the transportation it replaced.
- Decreased emissions by 13.8% per passenger mile.
- 20.1% of Shuttle rides replaced rides previously served by private vehicles.
- Prevented emission of 2 tons of carbon dioxide, the same as taking 1 vehicle off the road.

STEVENS DINING

- Meatless Monday is a mainstay at Pierce Dining Hall.
- Eat sustainably every day at the Vedge and Bowl Life stations.
- The Pi Kitchen offers vegetarian options.
- Plant-based milk and dairy alternatives are available.
- Stevens Dining sources its seasonal produce from local farms.

NEW BIKE LOCKS

Stevens is giving out bike locks this year. Students can now safely leave their bikes and scooters on campus with less concern of theft. Email transportation@stevens.edu to learn more!
