Please print or type. The primary purpose of this form is to lay out the courses required to complete your degree program and when you expect to take each of them. You may then use it to track your own progress to the degree. You should revise it as needed. Please indicate the term when you expect to take each course (e.g., 2015F, 2016S, etc.). Roman numerals indicate the standard curriculum time schedule. If a choice of course is given for the requirement, circle the appropriate course number. For electives, fill in the course number. Any course taken elsewhere should be marked TR. An additional study plan will be required if any of you wish to receive a minor or a second degree.

Notes:

1. **Humanities Requirement - Four additional humanities classes. At least one must be at the 100 or 200 level, at least one must be at the 300 or 400 level, and courses must cover at least two different disciplines within CAL.**
2. **General Education Electives – chosen by the student – can be any approved 3 or 4 credit course used towards a minor, major concentration, research, independent study, language courses, or a course taken during international experience.**
3. **These courses are the Core major courses for the Environmental Engineering program.**
4. **Environmental Engineering students must take for Science 1: CH 116 and 118 and can choose for Science 2: CE 240 Intro to Geosciences, BIO 281 Biology, PEP 151 Introduction to Astronomy, NANO 200 Intro to Nanotechnology, EN250 Quantitative Biology (web course) or PEP201 Physics III for Engineers with lab. For a complete list of Science Electives, please visit the Academic Catalog for your entering year.**
5. **IDE 400 can be taken concurrently with IDE 401 in Term VII as determined by the engineering program.**
6. **PE Requirement- All students must complete a minimum of four semesters of Physical Education (P.E.) in non-repeating courses. No credit or grades are awarded for P.E. classes. Participation in varsity and club sports may be used to satisfy all four of the P.E. requirements.**
