STEVENS INSTITUTE OF TECHNOLOGY 1870

Office of the President

Memorial Service for Professor George Korfiatis

From: Office of the President

To: Stevens Faculty and Staff

Please join us on Monday, December 7, as we honor the life and legacy of George P. Korfiatis, Ph.D., Professor Emeritus, a beloved member of the Stevens community whose 42 years of service as professor, dean, provost and interim president helped shape the university's growth and future. A distinguished educator, researcher, inventor and leader, Professor Korfiatis leaves an enduring legacy through the countless students, colleagues and alumni whose lives he influenced.

We will welcome guests to the memorial service in the Bissinger Room of the Wesley J. Howe Center beginning at 10 a.m. A program celebrating Professor Korfiatis's life and contributions will commence shortly thereafter, followed by a light reception. **Kindly register using the link below by Monday, November 30 if you plan to attend.**

In memory of Professor Korfiatis, Stevens has established a scholarship to honor his significant contributions and legacy at the university. Donations may be made through the registration link even if you are unable to attend the service.

Monday, December 7, 2026
10:00 - 11:30 a.m
