To the Stevens Community:

I am pleased to report the establishment of a committee to lead the search for Stevens' next Provost and University Vice President. This committee, with a broad base of representation from throughout the University community, will begin its work in December 2015 with the goal of bringing a few stellar finalists to campus before the end of the Spring 2016 semester.

The members of the committee include:

- Dr. Matthew Libera, Search Committee Chair, Professor, Department of Materials Sciences
- Dr. Anthony Barrese, Distinguished Service Professor and Associate Dean, School of Systems and Enterprises
- Dr. Frank Fisher, Associate Professor and Interim Chair, Department of Mechanical Engineering
- Dr. Robert Gilman, Professor, Department of Mathematical Sciences
- Dr. Patricia Holahan, Associate Professor, School of Business
- Dr. Louis Mayer, Vice President for Finance, CFO and Treasurer, Division of Finance
- Dr. Theresa MacPhail, Assistant Professor, College of Arts and Letters
- Ms. Susan Metz, Executive Director of Diversity and Inclusion, Office of the President
- Dr. Gregory Morgan, Associate Professor, College of Arts and Letters
- Ms. Marybeth Murphy, Vice President, Division of Enrollment Management and Student Affairs
- Dr. David Naumann, Professor, Department of Computer Science
- Dr. Carrie Perlman, Associate Professor, Department of Biomedical Engineering, Chemistry, and Biological Sciences
- Ms. Elena Piper, Undergraduate Quantitative Finance Major, Class of 2016, Chair of the Stevens Honor Board
- Dr. Hady Salloum, Research Professor and Associate Dean for Research, School of Engineering and Science
- Mr. Antonio Pugliese, Research Assistant and Systems Engineering Ph.D. Candidate, Class of 2017
- Dr. William Rouse, Alexander Crombie Humphreys Chair, School of Systems and Enterprises
- Dr. K.P. Subbalakshmi, Professor, Department of Electrical and Computer Engineering
- Dr. Linda Thomas-Mobley, Industry Professor and Program Director of Construction Management, Department of Civil, Environmental and Ocean Engineering

- Dr. Michael zur Muehlen, Associate Professor and Associate Dean for the Graduate Enterprise, School of Business

Please join me in thanking the members of the Search Committee for their dedication to this very significant assignment to identify the academic leader who will guide Stevens to its next tier excellence. Please make every effort to help the search committee identify strong qualified candidates.

I look forward to providing updates about the Provost and University Vice President search process in the near future.

Per aspera ad astra,

Nariman Farvardin
President
