Draft of Strategic Plan Midpoint Revision-Feedback Requested by 11/2/26

From: Nariman Farvardin

To: The Stevens Community

Date: October 27, 2026

Thank you to all members of the Stevens community who provided input on the revision of our 10-year Strategic Plan, *Stevens 2032: Inspired by Humanity, Powered by Technology®*, for the years 2027-2032.

With your input and a great deal of research and effort by the Strategic Plan Midpoint Review Steering Committee and other colleagues, we have produced a revised draft that we are sharing back with our community for further reaction.

As you recall, our goal is to produce a draft that will be reviewed by the Stevens Board of Trustees at its December 2026 meeting. This aggressive timeline prepares us well for the visit by the Middle States Commission on Higher Education (MSCHE) to Stevens in Spring 2027.

You may review the [draft Stevens 2032 plan](#) here and provide your recommendations and suggestions via [this form](#) by 9 am on Monday, November 2, 2026.

We appreciate the participation of the [Strategic Plan Midpoint Review Steering Committee](#) and the participation of our community in this important endeavor.
