This award was established in 1968 by Mrs. Susan Horle Poyerin in memory of her late husband, Lawrence C. F. Horle '14. It is presented to the seniors who attained the highest grade point average during their entire undergraduate program at Stevens.

Recipients are Murad Arslane, Ryan Clark, Matthew Del Rosario, Jordan Fernandes, Zachary Kermitz, James Lepore, Eden Luvishis, Nicolas Maritz, Ronnie Melao, Bryan Mucha, Hikmat Sabeh

DISTINGUISHED CHEMICAL ENGINEERING STUDENT AWARD

This award is presented to the student with the highest grade point average in the chemical engineering program.

Recipients are Sophie Cherayil, Ahmed Ghani, Matthew Kustrup, Harsh Patel, Heli Shah

AIChE JOHN ANDERSON MEMORIAL AWARD

This award is given for contributions to the student chapter of the American Institute of Chemical Engineers and for high academic achievement in chemical engineering.

Recipient is Ahmed Ghani

AIChE HERB M. FRIED AWARD

This award is given for contributions to the student chapter of the American Institute of Chemical Engineers and for high academic achievement in chemical engineering.

Recipient is Ryan Schubert

AIChE LEE PARKER MEMORIAL AWARD

This award is given for contributions to the student chapter of the American Institute of Chemical Engineers and for high academic achievement in chemical engineering.

Recipient is Russell Sangalang

◆

UNDERGRADUATE SENIOR AWARDS

AIChE NORTH JERSEY SECTION WALTER SCHNEIDER MEMORIAL AWARD

This award is given for contributions to the student chapter of the American Institute of Chemical Engineers and for high academic achievement in chemical engineering.

Recipient is Ilina Prentoska

BEST EXPERIMENT-BASED CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — Effect of Viscosity on Capillary Wave Development for Ultrasonic Atomization

**Recipients are Joshua Bauer, Kyle Forrester, Joshua Jensen,
Harsh Patel**

BEST SIMULATION-BASED CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — Catalytic Ethane Oxidative Dehydrogenation

**Recipients are Brandon Boyle, Steven Chang, Fallon Link,
Isaiah Martin, Aneta Oniszczyk**

SPECIAL CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — A New Generation of Tablet Manufacturing

**Recipients are Trevor Anderson, Matthew Brantl, Lynda Farinella,
Rachel Krieger**

◆

UNDERGRADUATE SENIOR AWARDS

BIOMEDICAL ENGINEERING OUTSTANDING SENIOR AWARD

This award is presented for outstanding academic performance and personal dedication to the biomedical engineering program.

Recipients are Andre Faubert and Ria Shahi

WARREN WELLS '42 DISTINGUISHED SERVICE AWARD

This award is named in honor of Warren Wells, whose generous donations helped establish the undergraduate physiology labs. It is presented to the senior whose time and energy has proven to be an invaluable resource in support of the undergraduate biomedical engineering program.

Recipients are Enkhsanaa Enkhbayar and Sean Pelcher

CLINICAL ENGINEERING SERVICES, INC. DESIGN EXCELLENCE AWARD

This award is named in honor of Clinical Engineering Services, Inc. for recognition of their generous support of the undergraduate Biomedical Engineering Bio-Materials Testing Lab. It is presented to the senior who has demonstrated excellent command of the principles of biomedical engineering design.

Project — The S.H.O.R.E. Hand

**Recipients are Justin Cross, Elise Fauske, Jesse Kim,
Stephen Willey**

CLINICAL ENGINEERING SERVICES, INC. DESIGN EXCELLENCE AWARD

This award is named in honor of Clinical Engineering Services, Inc. for recognition of their generous support of the undergraduate Biomedical Engineering Bio-Materials Testing Lab. It is presented to the senior who has demonstrated excellent command of the principles of biomedical engineering design.

Project Name — VoFlx

**Recipients are Andre Faubert, Susan George, Matthew Halvorsen,
Rachel Pinho, Carter Rosen**

◆

UNDERGRADUATE SENIOR AWARDS

AMERICAN CONCRETE INSTITUTE AWARD

This award was established in 1967 by the New Jersey Chapter of the American Concrete Institute and is presented to the student with the highest grade point average in the Reinforced Concrete course (CE484).

Recipient is Marcello Esposito

SIDNEY F. BORG AWARD

This award is presented to the senior with the highest grade point average in the structural engineering courses in civil engineering (CE373, CE484, CE486, CE519).

Recipient is Fernando Morales

MATTHEW KLEMCHALK '01 MEMORIAL AWARD

This award honors a senior civil engineering student who excelled in Mechanics of Solids and in transportation-related courses.

Recipient is Sherry Da Silva Weng

OUTSTANDING SENIOR DESIGN IN CIVIL, ENVIRONMENTAL OR NAVAL ENGINEERING

This award is given to the best senior design project in the civil, environmental or naval engineering programs.

Project Name — An Innovative Ocean Cleanup Hullform

Recipients are Carter Pomponio, Esha Talur, Liam Walker

BOSWELL ENGINEERING AWARD

This award is presented to the outstanding undergraduate student in environmental engineering as chosen by the faculty.

Recipient is Keilly Valverde

◆

UNDERGRADUATE SENIOR AWARDS

CIVIL, ENVIRONMENTAL AND OCEAN ENGINEERING AWARD

This award is presented to a student for outstanding contributions to department academic activities.

Recipient is Kate Killian

ROBERT RIDGEWAY AWARD

This award is presented to the senior who has been most active on behalf of the student chapter of the American Society of Civil Engineers and has demonstrated a high academic aptitude.

Recipient is Morgan Westerby

DANIEL SAVITSKY AWARD

The award is named in honor of Dr. Daniel Savitsky, a longtime professor at Stevens Institute of Technology and a former director of the Davidson Laboratory. It is presented to the outstanding graduating undergraduate student in naval engineering as chosen by the faculty.

Recipient is Carter Pomponio

SOPHIA HASSIOTIS AWARD

This award honors the memory and legacy of Dr. Sophia Hassiotis, a longtime, beloved professor of civil engineering. It is presented to an outstanding graduating senior who displays a passion and dedication for structural engineering. This award is sponsored by Professor Leslie Brunell, P.E.

Recipient is Risa Okazaki

◆

UNDERGRADUATE SENIOR AWARDS

THE EUGENE FEZANDIE AWARD

This award was established in 1958 in memory of Eugene Fezandie, professor of Mechanical Engineering, through joint efforts of his many friends. It is presented annually to the senior with the best average in the junior and senior years sequence of courses given by the Department of Mechanical Engineering.

Recipient is Bryan Mucha

THE KENNETH J. MOSER AWARD

This award was established in 1976 in honor of the late Professor Kenneth J. Moser '28 through the joint efforts of his classmates, colleagues and former students. It is presented annually to a senior in recognition of outstanding performance in heat transfer.

Recipients are Anthony DiFiore, Steven Skros, Kristina Sunada

THE ARTHUR J. GRYMES, JR. BOOK AWARD

This award was established in 1963 by Mr. & Mrs. Harold A. Riley, John J. Wall and Harry A. Taylor, Jr., in memory of Arthur J. Grymes, Jr. '18. It is presented annually to the senior who demonstrates the greatest interest or proficiency in fluid dynamics.

Recipients are Michael Botros, Christopher Cherubini, Thomas Moran

SENIOR DESIGN AWARD FOR MECHANICAL ENGINEERING

This award, established to recognize the best senior design project, is presented individually to members of the senior design group.

Project — ARGOS 2.1: Articulating Robot Gaze Operated System

Recipients are John Larkin, Christopher Ocker, Matthew Olliver, Matthew Zecca

◆

UNDERGRADUATE SENIOR AWARDS

THE ROBERT H. THURSTON LEADERSHIP AWARD

This award was established in honor of the founding of the American Society of Mechanical Engineers at Stevens Institute of Technology in 1880. Professor Thurston established the mechanical engineering curriculum at Stevens in 1871 and was the first president of ASME. It is presented to an ASME Student Chapter officer who has demonstrated high leadership skills.

Recipient is Skyler Doherty

THE RICHARD S. MAGEE '63 '64 '68 EXCELLENCE AWARD

This award is presented to the senior who has demonstrated extracurricular involvement and leadership in departmental and campus activities and is clearly recognizable as a strong ambassador for the Department of Mechanical Engineering and Stevens Institute of Technology

Recipients are Bruno Andino and Julia Wierzbicki

THE RICHARD B. COLE AWARD

This award was established in honor of Dr. Richard B. Cole, professor of mechanical engineering from 1965 to 2006. It is presented to a mechanical engineering student who has demonstrated high academic performance, integrity and personal dedication.

Recipient is Alyssa Okun

THE FERNANDO SISTO AWARD

This award was established in honor of Dr. Fernando Sisto, professor of mechanical engineering from 1958 to 1996. It is presented to an outstanding student of turbomachinery and aerospace.

Recipients are Matthew Lauri and Soleil Santana

◆

UNDERGRADUATE SENIOR AWARDS

THE COLONEL JOHN STEVENS POWER AND ENERGY SYSTEMS AWARD

This award was established in honor of Colonel John Stevens, inventor and developer of steam power systems for maritime and railroad applications, and on whose land Stevens Institute of Technology was later founded. It is presented to an outstanding student of power and energy systems.

Recipient is Amanda Antico

THE ANDREW CARNEGIE MACHINE SYSTEMS AWARD

This award was established in honor of Andrew Carnegie, steel magnate, trustee of Stevens Institute of Technology and benefactor responsible for the building of the Carnegie Mechanical Laboratory. It is presented to an outstanding student of machine systems and design.

Recipient is Jett Langhorn

THE ELIE FONROSE AWARD

This award was established by the members of the mechanical engineering Class of 2009 in memory of their classmate, Elie Fonrose. Mr. Fonrose was a firm believer that the progress of the human race goes hand-in-hand with the exploration of new frontiers. As an aspiring rocket scientist, Mr. Fonrose understood the need to make space travel more affordable and efficient. The award is presented to the student who shows promise of advancement in the field of aerospace engineering.

Recipients are Christine Huang and Maria Ortiz

BEST LAB ASSISTANT AWARD

This award is presented to an electrical and computer engineering undergraduate student who has demonstrated excellence in assisting students with their lab work.

Recipient is Michael Compagnino

◆

UNDERGRADUATE SENIOR AWARDS

BACHELOR AWARD IN ELECTRICAL ENGINEERING

This award is presented to the seniors with the highest average in the electrical engineering program during their junior and senior years.

Recipient is Arif Amzad

BACHELOR AWARD IN COMPUTER ENGINEERING

This award is presented to the seniors with the highest average in the computer engineering program during their junior and senior years.

Recipients are Murad Arslaner and Zachary Kermitz

PAUL M. CHIRLIAN AWARD

This award is presented to a graduating senior in electrical engineering or computer engineering who shows the most promise for pursuing a productive professional career.

Recipient is Walter Wargacki

ECE OUTSTANDING SENIOR DESIGN AWARD FOR ELECTRICAL AND COMPUTER ENGINEERING

This award is presented to the best senior design project in the electrical and computer engineering department.

Project — Modular Open Source Swarm

Recipients are Luisa Bonfim, Cameron Murphy, Benjamin Mirisola, Kevin Ward

STUART K. TEWKSBURY AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN COMPUTER AND DIGITAL SYSTEMS

This award was established in honor of Dr. Stuart Tewksbury, professor of electrical and computer engineering from 1998 to 2012. It is presented to a computer engineering student who has demonstrated high academic performance in studying computer and digital systems.

Recipient is Liamjohn Velazquez

◆

UNDERGRADUATE SENIOR AWARDS

FRANCIS BOESCH AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN COMMUNICATIONS AND SIGNAL PROCESSING

This award was established in honor of Dr. Francis Boesch, professor of electrical and computer engineering from 1979 to 2007. It is presented to an electrical engineering student who has demonstrated high academic performance in studying communications and signal processing.

Recipient is Michael Compagnino

HARRY HEFFES AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN MATHEMATICS, MODELING AND SIMULATION

This award was established in honor of Dr. Harry Heffes, professor of electrical and computer engineering from 1990 to 2016. It is presented to an electrical or computer engineering student who has demonstrated high academic performance in studying mathematics, modeling and simulation.

Recipient is Jonathan Kubas

THE ALFRED M. MAYER PRIZE

This prize is presented annually to a member of the senior class who ranks first in lecture, recitation and laboratory courses in physics during their undergraduate career.

Recipient is Charles Beall

PHYSICS DEPARTMENT LEADERSHIP PRIZE

This award is presented to the undergraduate physics student who has demonstrated outstanding leadership skills to foster a stimulating intellectual environment for their fellow students.

Recipient is Jordan Cory

◆

UNDERGRADUATE SENIOR AWARDS

SENIOR DESIGN AWARD FOR COMPUTER SCIENCE

This award is presented to the best senior design project in the Department of Computer Science.

Project — Carbon Voyage

Recipients are Venkat Anna, Harshdeep Aujla, Ari Birnbaum, Aughdon Breslin, Kevin Ha, Connor Haaf

Project — Darmis (Plagiarism Detection)

Recipients are Benjamin Lirio, Yashvardhan Sharma, Shlomo Stept, Pranav Yalamala, Ioannis Ypsilantis

Project — Digital Twins for 5G Cybersecurity

Recipients are Isabella Cruz, Danielle Dauphinais, Jakob Gibson, Farhan Shaik, Harris Spahic, Michael Zylka

COMPUTER SCIENCE DEPARTMENTAL AWARD

This award is presented to a graduating senior who is majoring in a program offered by the Department of Computer Science and has demonstrated high academic performance and personal dedication.

Recipients are Isabella Cruz, Sanjana Madhu, Patrick Zielinski

STEPHEN L. BLOOM THEORETICAL COMPUTER SCIENCE AWARD

This award was established in 2011 in memory of Stephen L. Bloom, professor of computer science from 1977 to 2010, by his many friends and colleagues. It is presented to a graduating senior who has demonstrated outstanding ability in theoretical computer science.

Recipients are Aughdon Breslin, James Lepore, Ioannis Ypsilantis

◆

UNDERGRADUATE SENIOR AWARDS

THE LUIGI POLLARA AWARD

This award was established in 2000 in honor of Professor Luigi Z. Pollara by his friends and former students. It is presented to an outstanding senior who has displayed academic excellence in the areas of chemistry, chemical biology or chemical, biochemical and materials engineering.

Recipients are Jenna Booth and Justin Gabriel

THE PRIESTLY PRIZE

This prize is presented to the member of the senior class who has most distinguished themselves in the chemistry department.

Recipient is Dominique LaValle

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN BIOLOGY, CHEMISTRY AND CHEMICAL BIOLOGY: FIRST PLACE

This award is given to the graduating seniors who have demonstrated excellence in their undergraduate research project in the biology, chemistry or chemical biology programs.

Project — Synthetic and Computational Studies of Novel PROTACs and Organoborons

Recipient is Melissa Pathil

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN BIOLOGY, CHEMISTRY AND CHEMICAL BIOLOGY: SECOND PLACE

This award is given to the graduating seniors who have demonstrated excellence in their undergraduate research project in the biology, chemistry or chemical biology programs.

Project — Hereditary Factors of Ovarian Cancer Tumorigenesis

Recipient is Anjali Chandrasekhar

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN BIOLOGY, CHEMISTRY AND CHEMICAL BIOLOGY: THIRD PLACE

This award is given to the graduating seniors who have demonstrated excellence in their undergraduate research project in the biology, chemistry or chemical biology programs.

Project — SPICE: Sustainable Polymers in a Circular Economy

Recipients are Anastasia Ivanov, Aileen McGovern, Nicholas Wheeler

EXCELLENCE IN BIOLOGY AWARD

This award is given to the graduating senior who has most distinguished themselves in the biology program.

Recipient is Katherine Ho

DONALD N. MERINO AWARD FOR ACADEMIC EXCELLENCE

This award is the gift of Donald N. Merino, Ph.D., P.E., Stevens class of 1960, who was the Founding Program Director of the Bachelor of Engineering Management program. It is presented to a graduating Engineering Management student whose paper from any course or journal is considered by the Bachelor of Engineering in Engineering Management Academic Committee to achieve the highest academic excellence of all the papers submitted for that year.

Project — Maritime Security

**Recipients are Reva Grover, Dehan Kong, Laura Mathews,
Daniel Wadler, Samantha Weckesser**

HUMPHREYS/ENNIS/LESSER AWARD

This award was established by Dr. Donald Merino in memory of professors Humphreys, Ennis and Lesser, all former professors of engineering economics at Stevens. It is presented to the senior with the highest grade point average in the required undergraduate engineering economics core courses.

Recipients are Michael Botros and Jordan Fernandes

◆

UNDERGRADUATE SENIOR AWARDS

FREDERICK WINSLOW TAYLOR AWARD

This award is presented to the graduating senior with the highest grade point average and who did the most to promote the undergraduate engineering management program at Stevens.

Recipient is Kayleigh Kubit

THE JOHN MIHALASKY AWARD

This award was established in memory of John Mihalasky, the longtime director and senior design coordinator of the engineering management program. It is presented to the senior design group in engineering management that has distinguished itself through its project.

Project — Hoboken Now

Recipients are Andrew Donahue, Ronnie Melao, Troy Tomasch

OUTSTANDING SERVICE AWARD

This award is presented to a student for outstanding service to the School of Business. These students have actively served as leaders and ambassadors at school events and activities throughout their four years at Stevens.

Recipients are Nicole Browne, Lauren Carlucci, Todd Carolonza, Fay Feygin, Allison Hom, Eden Luvishis, Alexis McKelvey, Avery Murillo, Angelina Rabbia, Amira Saied, Brooke San Giacomo, Delia Setola, Olivia Trautwein, Vivian Touch, Theodora Vazacopoulo, Angelene Veloce

OUTSTANDING ACADEMIC PERFORMANCE AWARD FOR BACHELOR OF SCIENCE IN BUSINESS

This award is presented to the graduating senior who has attained the highest grade point average in the graduating class within the Bachelor of Science in Business.

Recipients are Nicolas Maritz and Hikmat Sabeh

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING ACADEMIC PERFORMANCE AWARD IN QUANTITATIVE FINANCE

This award is presented to the graduating senior who has attained the highest grade point average in the graduating class in the quantitative finance program.

Recipient is Eden Luvishis

OUTSTANDING SENIOR DESIGN PROJECT — BUSINESS CONSULTING TRACK

This award is presented to graduating students for their exemplary research and dedication to their senior design projects in the field of business consulting.

Project — Community Lifestyle

**Recipients are Elsa Bley, Josie Cook, Zoe Cook, Lauren Malicki,
Avery Murillo**

Project — Strive for Five

**Recipients are Marissa Conde, Kathleen Louie, Allie Morton,
Shafaq Tanweer**

OUTSTANDING SENIOR DESIGN PROJECT — ENTREPRENEURSHIP TRACK

This award is presented to graduating students for their exemplary research and dedication to their senior design projects in the field of entrepreneurship.

Project — Blockchain Backed Collectibles

**Recipients are Rocco Dioguardi, Pavan Gandhi, Brennan Hall,
Andrew Ozs, Rohin Shetty**

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING SENIOR DESIGN PROJECT — RESEARCH TRACK

This award is presented to graduating students for their exemplary research and dedication to their senior design projects in the area of research.

Project — Latent Factor Modeling in High-Yield Bond Markets

**Recipients are Maris Daly, Nikki Leyderman, Vincent Lin,
Maria Yepishkina**

JULIA AND FREDERICK BISSINGER AWARD

This award is presented to the student who demonstrates outstanding performance in the Bachelor of Arts program.

Recipient is Emily MacMahon

JOSEPH M. FARBER MEMORIAL PRIZE

This award, in memory of Joseph M. Farber, recognizes a graduating senior majoring in one of the disciplines in the College of Arts and Letters who displays a keen interest in and concern for civil liberties and their importance in preserving and protecting human rights.

Recipient is Leyla Alekperova

CAPSTONE AWARD BEST IN SHOW

This award recognizes outstanding achievement in the Visual Arts and Technology yearlong capstone project and exhibition.

Recipient is Arianna Parisi

CAPSTONE AWARD RUNNER-UP

This award recognizes outstanding achievement in the Visual Arts and Technology yearlong capstone project and exhibition.

Recipient is James Ring

◆

UNDERGRADUATE SENIOR AWARDS

CAPSTONE AWARD HONORABLE MENTION

This award recognizes outstanding achievement in the Visual Arts and Technology yearlong capstone project and exhibition.

Recipient is Jack Chen

CENTER FOR ENVIRONMENTAL SYSTEMS HYDROGLOBE AWARD

This award, established by professors George Korfiatis, Christos Christodoulatos and Xiaoguang Meng, is presented annually to the senior capstone design project that best exemplifies research and entrepreneurship.

Project — Don't Lead It Out

Recipients are Margeaux Doran, Daniel Horvath, Rachel Hwang, Malcolm Renker, Keilly Valverde

JOHN BARNES SENIOR DESIGN AWARD

Established by the Class of 2009, the primary purpose of the John Barnes Fund is to support an annual award to a Stevens senior design group to pursue a project that merges John Barnes' interests in art and engineering.

Project — Djembat

Recipients are Murray Elinson, Marcel Grygo, Anthony Paolantonio, Kalani Pigao, Kristina Sunada, Joseph Tsui, Steven Zheng

DAVID AND GG FARBER SOCIETAL IMPACT AWARD

This award was established to create awareness among students of the impact their innovation can have on society at large and the power it has to improve lives all over the world.

Project — Psyche: The Stress Evaluator

Recipients are Sankalp Patel, Pawan Perera, Mitchell Reiff, Peter Shikhman, Thomas Wang, Justin Young

◆

UNDERGRADUATE SENIOR AWARDS

ANSARY PRIZE FOR STUDENT ENTREPRENEURSHIP: THIRD PLACE

This award was endowed by the Ansary Family to exemplify academic entrepreneurship. It is awarded annually to the winners of the Ansary Entrepreneurship Competition held during the Stevens Innovation Expo.

Project — VoFix

Recipients are Andre Faubert, Susan George, Matthew Halvorsen, Rachel Pinho, Carter Rosen

ANSARY PRIZE FOR STUDENT ENTREPRENEURSHIP: SECOND PLACE

This award was endowed by the Ansary Family to exemplify academic entrepreneurship. It is awarded annually to the winners of the Ansary Entrepreneurship Competition held during the Stevens Innovation Expo.

Project — No-Till Drill

Dolcinea Carroll, Justine Schleuss, Stephen Schmidt, Jack Staub, Aaron Stultz, Peter White

ANSARY PRIZE FOR STUDENT ENTREPRENEURSHIP: FIRST PLACE

This award was endowed by the Ansary Family to exemplify academic entrepreneurship. It is awarded annually to the winners of the Ansary Entrepreneurship Competition held during the Stevens Innovation Expo.

Project — Maritime Security

Reva Grover, Dehan Kong, Laura Mathews, Daniel Wadler, Samantha Weckesser

PASSION FOR TECHNOLOGY AWARD

Awardees are consistently punctual and reliable, demonstrate a willingness to go above and beyond job responsibilities and apply technical expertise to meet the needs of Division of Information Technology customers.

Recipients are Jessica Kunigelis and Andrew Shamis

◆

UNDERGRADUATE SENIOR AWARDS

CUSTOMER SERVICE EXCELLENCE AWARD

Awardees consistently display integrity and professionalism while working with both peers and customers, demonstrate versatility and exhibit excellence in teamwork, knowledge, thoroughness and leadership.

Recipient is Fariha Rahman

HONOR SYSTEM SERVICE AWARD

This award is presented to graduating seniors who, as current members of the Honor Board, have demonstrated exemplary commitment to the Honor System through their participation and their role in educating the Stevens community.

Recipients are Jakob Cupp, Keira Mizzi, Mika Naseef, Leonel Trubbo, Christopher Varseveld

CAREER CENTER AMBASSADOR AWARD

This award is presented to seniors who have volunteered a significant amount of time supporting Career Center programming and events. They have shared their career development experiences with younger students, inspired others to engage in Career Center activities, and represented the department to the community at large.

Recipient is Osazee Nosa

CAREER CENTER EXCELLENCE IN EXPERIENTIAL EDUCATION AWARD

This award was established by the Career Center to recognize an undergraduate student who has demonstrated excellence in an experiential education role. This award is presented to a student for their personal achievements, contributions to their company/organization, demonstrated personal and/or professional growth, evidence of leadership and academic record.

Recipient is Andrew Shamis

◆

UNDERGRADUATE SENIOR AWARDS

THE RESIDENT ASSISTANT OUTSTANDING SERVICE AWARD

This award is presented to the graduating resident assistant who has achieved the most outstanding performance and who best exemplifies the core values of residential education — community building, role modeling and co-curricular education.

Recipient is Corey Batchelder

THE RESIDENTIAL EDUCATION SERVICE AWARD

This award is presented to the senior who has fostered and enhanced living on campus through outstanding service and involvement in residential education.

Recipient is Christine Huang

THE THOMAS E. McCANDLESS MUSIC AWARD

This award is presented to the senior who makes the greatest contribution of their time and talent in advancing music at Stevens.

Recipient is Carter Rosen

THETA ALPHA PHI — YELENA PETROVNA AWARD

This award was established in 1987 by the Stevens Chapter of Theta Alpha Phi in honor of its founder, Yelena Petrovna. It is presented to the senior who has made excellent contributions to the advancement of theater arts at Stevens.

Recipients are Charles Beall and Gab Poska
