Instructions Please print or type. The primary purpose of this form is to lay out the courses required to complete your degree program and when you expect to take each of them. You may then use it to track your own progress to the degree. You should revise it as needed. Please indicate the term when you expect to take each course (e.g., 20F, 21S, etc.). Roman numerals indicate the standard curriculum time schedule. If a choice of courses is given for a requirement, circle the appropriate course number. For electives, fill in the course number. Any courses taken elsewhere should be marked **TR**. An additional study plan will be required if you wish to receive a minor or a second degree.

- NOTES:
1. P.E. Requirement - All students must complete a minimum of four semesters of physical education (P.E.) in non-repeating courses. No credit or grades are awarded for P.E. classes. Participation in varsity or club sports may be used to satisfy all four of the P.E. requirements.
 2. You must obtain your advisor's approval before enrolling in computer science/cybersecurity or general electives.
 3. Enter your credit for AP Computer Science, if applicable.
 4. For a list of pre-approved cybersecurity electives please refer to the academic catalog.
 5. Humanities courses must have your advisor's approval prior to enrolling. For details on humanities courses and requirements please refer to the Academic Policies of the Office of Undergraduate Academics.
 6. Mark "GD" courses beyond the B.S. requirements to defer to the graduate program. Mark "XT" courses beyond the B.S. requirements to meet minor or second-degree requirements, or serve as extra courses.
