# STEVENS
INSTITUTE OF TECHNOLOGY®

## INSPIRED BY **HUMANITY**, POWERED BY **TECHNOLOGY**™

Stevens Institute of Technology is a top U.S. university just across the river from New York City. Known for innovation, hands-on learning and strong career outcomes, Stevens welcomes students from around the world to explore engineering, science, business, the arts and technology in a global hub of opportunity.

- Career Outcomes: Several companies hired two or more members of the Class of 2025, including **Amazon, Bristol Myers Squibb, Google, Johnson & Johnson, Lockheed Martin** and **Merck** among others.
- **36-month Optional Practical Training** eligibility for STEM majors, including business programs (12-month full-time employment plus 24-month extension).
- Internships starting as early as **Year 2**.
- **Co-op opportunities** for international students majoring in artificial intelligence, engineering, computer science or cybersecurity.
