To Faculty, Staff and Students:

As faculty, staff and students return to in-person classes, residential living and the academic and social routines of the spring semester, I wanted to send a brief message to welcome you back to campus. I am energized by the vibrancy of our campus community, the sight of students filling the halls of our academic buildings and study spaces, the faculty in their classrooms and research labs, and my colleagues who work hard every day to make Stevens a better place.

Welcome back to what I know will be a stimulating and rewarding Spring 2022 semester. I look forward to seeing you soon.

Per aspera ad astra,

Nariman Farvardin
President
