

## 2025-2026 Verification Worksheet

### WHAT IS VERIFICATION?

Your application was selected by the U.S. Department of Education for review in a process called “verification.” The office of Financial Aid must compare information from your FAFSA application with information you provide on this worksheet and other documents that you must submit to us. If there are differences between the FAFSA information and documents submitted by you, your application may need to be reprocessed. We cannot make any federal financial aid payments available to you or process a student loan request until all verification requirements have been met and the necessary corrections have been processed.
