Please print or type. The primary purpose of this form is to lay out the courses required to complete your degree program and when you expect to take each of them. You may then use it to track your own progress to the degree. You should revise it as needed. Please indicate the term when you expect to take each course (e.g., 25F, 26S, etc.). Roman numerals indicate the standard curriculum time schedule. If a choice of course is given for the requirement, circle the appropriate course number. For electives, fill in the course number. Any course taken elsewhere should be marked TR. An additional study plan will be required if any of you wish to receive a minor or a second degree.

Notes:

1. Humanities- Any four courses that count for humanities credit, including art history, with at least one 300-level or higher.
2. All HASS students are required to take courses in Math, Science and Computer Science. Students may choose from CS 105, CS 115, or HAR 271 to fulfill the computer science requirement. For a complete list of courses that fulfill the Math and Science requirement, please visit the College of Arts and Letters catalog on the Stevens website.
3. General Electives – chosen by the student – can be any approved 3 or 4 credit course used towards a minor, major concentration, research, independent study, language courses, or a course taken during an international experience.
4. Secondary Concentration: This can be chosen from all disciplines offered at Stevens upon consultation with your faculty advisor.
