J-1 Exchange Visitor Exit Form International Student & Scholar Services

J 1 Exchange Visitor Program Completion Exit Form

It has been a pleasure to host you at Stevens as a J-1 Exchange Visitor. It is our hope that your time at Stevens and in the U.S. has been stimulating and rewarding. As you near the end of your program, and to complete your record, please complete this form telling us about your activities while at Stevens and your experiences during your time in the U.S. Your responses will assist Stevens with its J-1 Exchange Visitor annual report for the U.S. Department of State and your feedback will help Stevens serve future J-1 scholars and students. We would also greatly appreciate it if you would share your favorite photos from your cultural experiences during your stay in the U.S.
