Subject: REMINDER – Scheduling Events on Religious Holidays

Stevens is a very diverse community in which many different religious and ethnic groups are represented. Given the diversity of our faculty and staff, we cannot avoid scheduling university, school, and department events and meetings on every religious observance. However, there are several holidays (listed below) that affect a greater number of people in the community. In consideration of our colleagues and students, please make every effort to avoid scheduling events that conflict with these holidays.
