To the Stevens Community:

As we turn our attention to family, friends, food, and festive celebrations of Thanksgiving in the coming days, please take a moment to reflect with pride on the important contributions you are making at Stevens.

Whether you are a student with a bright future ahead; a faculty member, who is inspiring and mentoring the next generation of leaders and innovators; a member of the administration, whose hard work continues to improve our university; or a friend or member of our alumni body, whose active engagement and generosity propels this university forward, you are making a real difference to a university on the rise.

During this Thanksgiving season, please accept my most heartfelt appreciation for all you do. Stevens would not be the vibrant and thriving institution it is without you.

Per aspera ad astra,

Nariman Farvardin
President
