

**2023-2024 DEPENDENCY
STATUS APPEAL FORM**

Federal regulations require students who cannot answer ‘yes’ to one of the questions in Step Three of the Free Application for Federal Aid (FAFSA), to provide the biological/adoptive parents’ information and signature when completing the FAFSA. Such students are DEPENDENT for financial aid purposes. A Financial Aid Administrator may authorize a Dependency Status Override ONLY if a student can document, via a third party with knowledge of the circumstances, **extremely** unusual family circumstances that include, but are not limited to: abandonment, an abusive family environment that threatens the student’s health or safety, or the student being unable to locate parents. This determination must be confirmed every award year. Students seeking a dependency override MUST request an appointment with a Financial Aid Administrator.

EXTREME FAMILY CIRCUMSTANCES DO **NOT** include:

1. The student does not reside with the parent(s)
2. The parent(s) live in another country
3. The student and parent “do not get along”
4. The parent does not claim the student as a tax exemption
5. The parent does not support the student or believe it is a parental responsibility to pay for college
6. The parent and/or step-parent are unable and/or are unwilling to provide information, to sign the FAFSA, and/or assist in paying for college.
7. The student is self-sufficient

If you are requesting a Dependency Status Override based on one of the reasons listed above, you are a dependent student and should not complete this form. If you believe your situation qualifies as an EXTREME CIRCUMSTANCE, **WHICH YOU CAN DOCUMENT**, you may complete the bottom portion of this form. Bring the completed form, along with ALL REQUIRED DOCUMENTATION (listed in A-D below) to YOUR SCHEDULED APPOINTMENT WITH A FINANCIAL AID ADMINISTRATOR.
