Rai Singh Bindra, Andrew Cheney, Gabriel Costa, Evan Jinks, Benjamin Knobloch, Bao-Chau Nguyen, Sophia Patz, Nicole Petrocelli, Mia Reinert, Vincent Renda, Brandon Rogers, Kailey Totland, Thomas Ward

DISTINGUISHED CHEMICAL ENGINEERING STUDENT AWARD

This award is presented to the student with the highest-grade point average in the chemical engineering program.

Gabriel Costa

BEST EXPERIMENT-BASED CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — An Aerosolizing System to Mimic Bacterial Contamination in the Operating Room

Gaby Campos, Gabriel Costa, Nicholas Focarazzo, Jennifer Gonzales-Pasion

BEST SIMULATION-BASED CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — Green Hydrogen Production from Biorefinery Waste Streams

Anthony Migliaro, Daisy Morgan, Julia Munger, Sarah Pasqualetto

◆

UNDERGRADUATE SENIOR AWARDS

SPECIAL CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — Cell-Based Influenza Vaccine Production

Olivia Kain, Katie Kunz, Charlotte Lee

BIOMEDICAL ENGINEERING OUTSTANDING SENIOR AWARD

This award is presented to a senior for outstanding academic performance and personal dedication to the biomedical engineering program.

Mikaela Jernsletten

WARREN WELLS '42 DISTINGUISHED SERVICE AWARD

This award is named in honor of Warren Wells, whose generous donations helped establish the undergraduate physiology labs. It is presented to the senior whose time and energy has proven to be an invaluable resource in support of the undergraduate biomedical engineering program.

Caitlyn Cianci

CLINICAL ENGINEERING SERVICES, INC. DESIGN EXCELLENCE AWARD

This award is named in honor of CES, Inc. for recognition of their generous support of the undergraduate Biomedical Engineering Bio-Materials Testing Lab. It is presented to the senior who has demonstrated excellent command of the principles of biomedical engineering design.

Project — CytoPrism

**Olivia Castro, Zoe Hindman, Diya Jariwala, Kyra Pitarresi,
Julianna Villella**

◆

UNDERGRADUATE SENIOR AWARDS

CLINICAL ENGINEERING SERVICES, INC. DESIGN EXCELLENCE AWARD

This award is named in honor of CES, Inc. for recognition of their generous support of the undergraduate Biomedical Engineering Bio-Materials Testing Lab. It is presented to the senior who has demonstrated excellent command of the principles of biomedical engineering design.

Emily Lynch, Bryn Kanagy, Rachael Prescott, Holly Schappell

AMERICAN CONCRETE INSTITUTE AWARD

This award was established in 1967 by the New Jersey Chapter of the American Concrete Institute and is presented to the student with the highest grade point average in the Reinforced Concrete course CE484.

Kara Long

ROBERT RIDGEWAY AWARD

This award is presented to the senior who has been most active on behalf of the student chapter of the American Society of Civil Engineers and has demonstrated a high academic aptitude.

Christopher Lum

SIDNEY F. BORG AWARD

This award is presented to the senior with the highest grade point average in the structural engineering courses in civil engineering, CE373, CE484, CE486, CE519.

Gordon Yu

MATTHEW KLEMCHALK '01 MEMORIAL AWARD

This award honors a senior civil engineering student who excelled in Mechanics of Solids and in transportation-related courses.

Raquel Jimenez

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING SENIOR DESIGN IN CIVIL, ENVIRONMENTAL OR NAVAL ENGINEERING

This award is given to the best senior design project in the civil, environmental or naval engineering programs.

Project — The Sebego Recovery Group

**Alison Lax, Julia Lupo, Jasmine Marquez, Moises Menjivar,
Christopher Scapati**

BOSWELL ENGINEERING AWARD

This award is presented to the outstanding undergraduate student in environmental engineering as chosen by the EN faculty.

Rhianna Gilbertson

CIVIL, ENVIRONMENTAL AND OCEAN ENGINEERING AWARD

This award is presented to a student for outstanding contributions to department academic activities.

Cleo Shannon, Emma McCann

DANIEL SAVITSKY AWARD

The award is named in honor of Dr. Daniel Savitsky, a longtime professor at Stevens Institute of Technology and a former director of the Davidson Laboratory. It is presented to the outstanding graduating undergraduate student in naval engineering as chosen by the NE faculty.

Cora Scolaro

SOPHIA HASSIOTIS MEMORIAL AWARD

This award is to honor the memory and legacy of Dr. Sophia Hassiotis, a longtime and beloved professor of civil engineering. It is presented to an outstanding graduating senior who displays a passion and dedication for structural engineering. This award is sponsored by Dr. Leslie Brunell, P.E.

This award, established to recognize the best Senior Design project, is presented individually to members of the senior design group.

Project — Hypersonic Boundary Layer Pitot Rake

Neil Deshpande, Konnor Getz, Celia Mauri, Ava Steneck, Ryan Ward

THE RICHARD B. COLE AWARD

This award was established in honor of Dr. Richard B. Cole, Professor of Mechanical Engineering from 1965 to 2006. It is presented to a mechanical engineering student who has demonstrated high academic performance, integrity and personal dedication.

Tyler Christensen

THE FERNANDO SISTO AWARD

This award was established in honor of Dr. Fernando Sisto, Professor of Mechanical Engineering from 1958 to 1996. It is presented to an outstanding student of turbomachinery and aerospace.

Konnor Getz

THE COLONEL JOHN STEVENS POWER AND ENERGY SYSTEMS AWARD

This award was established in honor of Colonel John Stevens, inventor and developer of steam power systems for maritime and railroad applications, and on whose land Stevens Institute of Technology was later founded. It is presented to an outstanding student of power and energy systems.

Timothy Griffin

◆

UNDERGRADUATE SENIOR AWARDS

THE ANDREW CARNEGIE MACHINE SYSTEMS AWARD

This award was established in honor of Andrew Carnegie, steel magnate, Trustee of Stevens Institute of Technology and benefactor responsible for the building of the Carnegie Mechanical Laboratory. It is presented to an outstanding student of machine systems and design.

James Kelly, Emily Klaben

THE ELIE FONROSE AWARD

This award was established by the members of the Mechanical Engineering Class of 2009 in memory of their classmate Elie Fonrose. Mr. Fonrose was a firm believer that the headway of the human race goes hand-in-hand with the exploration of new frontiers. This award is presented to the student who shows promise of advancement in undergraduate research.

Nicholas Bibilouri, Paul Dela Cruz, Brandon Rogers, Hunter Schmidt

THE ROBERT H. THURSTON LEADERSHIP AWARD

This award was established in honor of the founding of the American Society of Mechanical Engineers at Stevens Institute of Technology in 1880. Prof. Thurston established the mechanical engineering curriculum at Stevens in 1871 and was the first president of ASME. It is presented to an ASME Student Chapter officer who has demonstrated high leadership skills.

James Johnson

BACHELOR AWARD IN ELECTRICAL ENGINEERING

This award is presented to the seniors with the highest average in the electrical engineering program during their junior and senior years.

Abigail Izzo

◆

UNDERGRADUATE SENIOR AWARDS

BACHELOR AWARD IN COMPUTER ENGINEERING

This award is presented to the seniors with the highest average in the computer engineering program during their junior and senior years.

Bao-Chau Nguyen, Vincent Renda

PAUL M. CHIRLIAN AWARD

This award is presented to a graduating senior in electrical engineering or computer engineering who shows the most promise for pursuing a productive professional career.

Christopher Kniss

STUART K. TEWKSBURY AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN COMPUTER AND DIGITAL SYSTEMS

This award was established in honor of Dr. Stuart Tewksbury, professor of electrical and computer engineering from 1998 to 2012. It is presented to a computer engineering student who has demonstrated high academic performance in studying computer and digital systems.

Owen Deem

FRANCIS BOESCH AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN COMMUNICATIONS AND SIGNAL PROCESSING

This award was established in honor of Dr. Francis Boesch, professor of electrical and computer engineering from 1979 to 2007. It is presented to an electrical engineering student who has demonstrated high academic performance in studying communications and signal processing.

Nathan Taco Bravo

◆

UNDERGRADUATE SENIOR AWARDS

HARRY HEFFES AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN MATHEMATICS, MODELING AND SIMULATION

This award was established in honor of Dr. Harry Heffes, professor of electrical and computer engineering from 1990 to 2016. It is presented to an electrical or computer engineering student who has demonstrated high academic performance in studying mathematics, modeling and simulation.

Atharva Shaligram

ECE OUTSTANDING SENIOR DESIGN AWARD FOR ELECTRICAL AND COMPUTER ENGINEERING

This award is presented to the best Senior Design project in the electrical and computer engineering department.

Project — ROOST: Real-Time Optical Open Spot Tracking

**Frank Genderson, Alan Manjarrez, Kevin Mohan, John Shea,
Joris Wilson**

THE ALFRED M. MAYER PRIZE

This prize is presented annually to a member of the senior class who ranks first in lecture, recitation and laboratory courses in physics during their undergraduate career.

Gabriel Sorci

PHYSICS DEPARTMENT LEADERSHIP PRIZE

This award is presented to the undergraduate physics student who has demonstrated outstanding leadership skills to foster a stimulating intellectual environment for their fellow students.

Erin McGee

◆

UNDERGRADUATE SENIOR AWARDS

YOUNG WOMAN TALENT IN PHYSICS

An award is presented to a female student graduating with a Bachelor of Science in Physics who has attained the highest cumulative GPA in recognition of their dedication and achievements in career development

Erin McGee

SENIOR DESIGN AWARD FOR COMPUTER SCIENCE

This award is presented to the best senior design project in the computer science department.

Project — HeraHealth

**Kailie Jett, Nataly Jimenez, Shannon McGratty, Lilli Nappi,
Renny Victoria, Justine Wang**

COMPUTER SCIENCE DEPARTMENTAL AWARD

This award is presented to a graduating senior who is majoring in a program offered by the computer science department and has demonstrated high academic performance and personal dedication.

Liam Rust, Cormac Taylor, Daniel Zamloot

STEPHEN L. BLOOM THEORETICAL COMPUTER SCIENCE AWARD

This award was established in 2011 in memory of Stephen L. Bloom, Professor of Computer Science from 1977 to 2010, by his many friends and colleagues. It is presented to a graduating senior who has demonstrated outstanding ability in theoretical computer science.

Jacob Jalinski, Kyle Macadaeg, Makena Williamson

THE ARI BIRNBAUM AWARD

Presented to a graduating senior who has performed outstanding service as a course assistant in the computer science department.

Sabah Naveed

◆

UNDERGRADUATE SENIOR AWARDS

THE LUIGI POLLARA AWARD

This award was established in 2000 in honor of Professor Luigi Z. Pollara by his friends and former students. It is presented to an outstanding senior who has displayed academic excellence in the areas of chemistry, chemical biology or chemical, biochemical and materials engineering.

Makeera Pillay, Ioannis Skoulidas

THE PRIESTLY PRIZE

This prize is presented to the member of the senior class who has most distinguished themselves in the chemistry department.

Helen Varughese

EXCELLENCE IN BIOLOGY AWARD

This award is given to the graduating senior who has most distinguished themselves in the biology program.

Melissa Misurelli

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN THE CHEMISTRY AND CHEMICAL BIOLOGY DEPARTMENT (FIRST PLACE POSTER AWARD)

This award is given to the student who has demonstrated excellence in their senior undergraduate capstone research project in the chemistry and chemical biology department and received first place in the Chemistry and Chemical Biology Research Day Poster Competition on May 9, 2025.

Makeera Pillay

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN THE CHEMISTRY AND CHEMICAL BIOLOGY DEPARTMENT (SECOND PLACE POSTER AWARD)

This award is given to the student who has demonstrated excellence in their senior undergraduate capstone research project in the chemistry and chemical biology department and received second place in the Chemistry and Chemical Biology Research Day Poster Competition on May 9, 2025.

Hadia Hussain, Shania Sarango

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN THE CHEMISTRY AND CHEMICAL BIOLOGY DEPARTMENT (THIRD PLACE POSTER AWARD)

This award is given to the student who has demonstrated excellence in their senior undergraduate capstone research project in the chemistry and chemical biology department and received third place in the Chemistry and Chemical Biology Research Day Poster Competition on May 9, 2025.

Helen Varughese

HUMPHREYS/ENNIS/LESSER AWARD

This award was established by Dr. Donald Merino in memory of professors Humphreys, Ennis and Lesser, all former professors of engineering economics at Stevens. It is presented to the senior with the highest grade point average in the required undergraduate engineering economics core courses.

Matthew Hartzler, Charlotte Lee

◆

UNDERGRADUATE SENIOR AWARDS

FREDERICK WINSLOW TAYLOR AWARD

This award is presented to the graduating senior with the highest grade point average and who did the most to promote the undergraduate engineering management program at Stevens.

Kirsten Stepien

This award was established in memory of John Mihalasky, the longtime Director and Senior Design Coordinator of the Engineering Management Program. It is presented to the Senior Design group in Engineering Management who have distinguished themselves through the research of their project.

Project — WakeMate

Anthony Giller, Braedan Joyce, Jack Martinek, Liam Rodgers

OUTSTANDING INDUSTRIAL AND SYSTEMS ENGINEER AWARD

This award is presented to the graduating senior with a leading grade point average and who did the most to promote the undergraduate industrial and systems engineering program at Stevens.

Isabella Ziv

INDUSTRIAL AND SYSTEMS ENGINEERING SENIOR DESIGN AWARD

This award is presented to the Senior Design group in industrial and systems engineering that has distinguished itself through the research of their project.

Project — C.H.A.R.M.I.N.G.: Creating Habitats, Agricultures & Resources with Martian In-Site Necessity Generation

Nadia Lara, Mason Lim, Nikita Parikh, Janani Rao, Hans Sasuman, Isabella Tien

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING SOFTWARE ENGINEER AWARD

This award is presented to the graduating senior with a leading grade point average and who did the most to promote the undergraduate software engineering program at Stevens.

Lauren Kibalo

SOFTWARE ENGINEERING SENIOR DESIGN AWARD

This award is presented to the Senior Design group in software engineering who have distinguished themselves through the research of their project.

Project — LegisLoop

**Anthony Ford, Damien McDevitt, Stephanie McDonough,
Jonathan Memoli, Sean Tu**

OUTSTANDING SENIOR DESIGN PROJECT — BUSINESS CONSULTING TRACK

This award is presented to graduating students for their exemplary research and dedication to their Senior Design projects in the field of business consulting.

Project — DataTinga LLC

**Ava Benson, Angela Mikelinich, Erin O’Sullivan, Arlene Reynoso,
Olivia Shusta**

OUTSTANDING SENIOR DESIGN PROJECT — BUSINESS CONSULTING TRACK

This award is presented to graduating students for their exemplary research and dedication to their Senior Design projects in the field of business consulting.

Project — Yoga Hut

Christian Kim, Noah Porcelain, Matthew Rutledge, Eduardo Terlaje

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING SENIOR DESIGN PROJECT — ENTREPRENEURSHIP TRACK

This award is presented to graduating students for their exemplary research and dedication to their Senior Design projects in the field of entrepreneurship.

Project — Chillr Email Extraction

Frank Barton, Tristan Cocozza, Mohan Dichpally, Fayha Farooqi, Kayli Gregory

OUTSTANDING SENIOR DESIGN PROJECT — RESEARCH TRACK

This award is presented to graduating students for their exemplary research and dedication to their Senior Design projects in the area of research.

Project — Empirical Assessment of Mean Reversion in Interest Rate Stochastic Processes: Theoretical Implications and Model Calibration Under Arbitrage-Free Constraints

Umang Chulani, Arosh De Silva, Sai Gogineni, Arjun Patel, Sagar Patel

OUTSTANDING ACADEMIC PERFORMANCE AWARD FOR BACHELOR OF SCIENCE IN BUSINESS

This award is presented to the graduating seniors who have attained the highest grade point average in the graduating class within the Bachelor of Science in Business.

Aron Dyadyuk, Melanie O’Beirne, Mia Reinert, Paul Serrilli

OUTSTANDING ACADEMIC PERFORMANCE AWARD IN QUANTITATIVE FINANCE

This award is presented to the graduating seniors who have attained the highest grade point average in the graduating class within the quantitative finance program.

Kara Pietrowicz, Alicia Zajac

◆

UNDERGRADUATE SENIOR AWARDS

SCHOOL OF BUSINESS INNOVATION AND ENTREPRENEURSHIP AWARD
