

# COVID-19 Over-the-Counter (OTC) Tests Reimbursement Program

---

Per the January 2022 federal government issued public notice, the Stevens Cigna health plans cover eight (8) individual OTC COVID-19 tests per person enrolled in the plan per month.

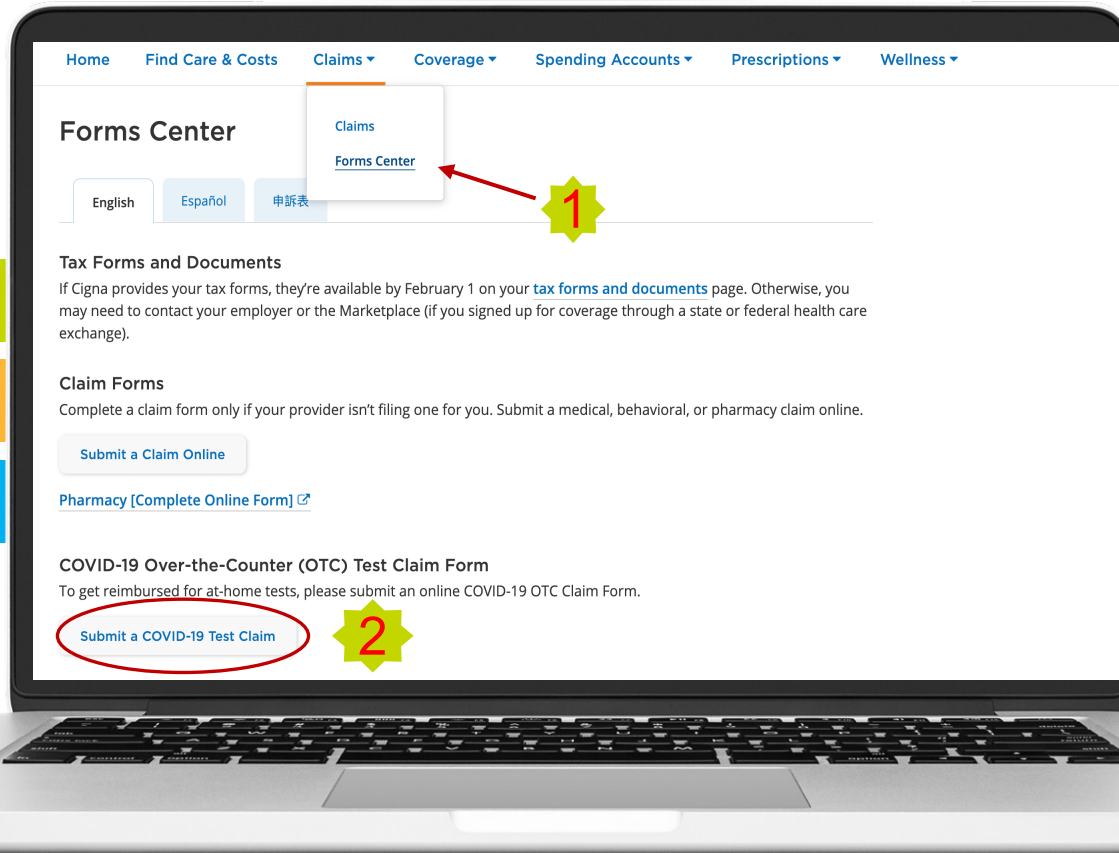

This coverage is a reimbursement program. After purchasing the OTC COVID-19 tests from your local pharmacy, including any CVS or Walgreens, you can submit for reimbursement through the MyCigna.com portal.
