Music and Technology Study Plan Notes

1. **Non-major Humanities Requirement-** Students must take CAL 103, CAL 105, HMU 101, HMU 102, and 4 additional humanities courses of which one must be at the 300/400 level. The 4 additional courses must be in a CAL discipline outside of the major field with the exception of HMU 192, 193, 195, and 350.
2. All CAL students are required to take one course within Computer Science, one course within Science, and two courses within Math.
 - a. To fulfill the Math Requirement: Students may choose from MA 120/121 or MA 121/122 or MA 123/124 (with AP Calculus or strong Calculus background only), MA 117 Calculus for Business and Liberal Arts (Fall), MA 119 Multivariable Calculus (Spring), BT 221 Statistics, or MA 236 Intro to Logical Reasoning.
 - i. Students may also take MA 120/121 with MA 122 (Intersession or Half Semester) which will satisfy the two semester (6 credit) math requirement. It is strongly recommended that students consider this option.
 - ii. For CS Inclined Students: Students are recommended to take CS 135 Discrete Structures, or MA 134 Discrete Mathematics (no prerequisites) and MA 232 Linear Algebra (no prerequisites).
 - iii. Any college math course taken during summer or intersession approved by the Math Department.
 - b. To fulfill the Computer Science Requirement: Students may choose from CS 105 (no significant programming experience), CS 115 (recommended if there is programming experience), HAR 271, or CS 181 (with CS AP credit required and student plans to pursue a CS minor).
 - c. To Fulfill the Science Requirement: Students may choose from PEP 111 Mechanics (MA 122 is co-required), PEP 123 & PEP 124 Physics for Business and Technology I & II (requires MA 122 or MA 117 & 119), CH 115 Chemistry, PEP 151 Intro to Astronomy, BIO 281 Biology, and CE 240 Geoscience.
3. **General Electives-** chosen by the student- can be any approved 3 or 4 credit course used towards a minor, major concentration, research, independent study, language courses, or a course taken during international experience.
4. **Secondary Concentration:** This can be chosen from all disciplines offered at Stevens upon consultation with your faculty advisor.
5. Students who are registered for a Stevens sanctioned ensemble (0.5 crd.) will satisfy an additional HMU 498 Ensemble course beyond the requirements.
6. Students who take three HMU 498 Ensemble (1 crd.) courses can satisfy an additional general elective beyond the requirements.
7. Students who take six semesters of Stevens sanctioned ensemble (0.5 crd.) will satisfy an extra general elective beyond the requirements.
*For a complete listing of Stevens sanctioned ensemble courses, please visit the College of Arts and Letters Catalog.
