To All Faculty and Staff:

On July 8, 2020, I and university leadership presented an overview of Stevens Institute of Technology's plans for the Fall 2020 semester in light of the ongoing challenges presented by COVID-19. The briefing was held as a Zoom webinar, and the presentation was recorded. You may now view the webinar recording through the link below. You will need to authenticate with your Stevens credentials to access the recording.

You are also strongly encouraged to review the university's detailed campus reopening plan on the new [Stronger.Safer.Stevens](#) website.

In addition, Stevens has submitted its reopening plan to the New Jersey Office of the Secretary of Higher Education. That submission may be found [here](#).

I look forward to seeing you on campus this fall.

Per aspera ad astra,

Nariman Farvardin
President
