To the Stevens Community,

As the semester comes to a close, I want to take this opportunity to again thank the entire Stevens community—faculty, staff, students, alumni, and friends—for all you do to advance the University.

In the fall, we completed the first year of implementation of our Strategic Plan, *The Future., Ours to Create.* I am pleased to share with you a summary of progress toward the major goals and benchmarks identified in our journey toward becoming a premier, student-centric technological research university.

Please take a few minutes to review the Year 1 Strategic Plan Implementation Report at: <http://www.stevens.edu/sit/president/strategic-plan>, and feel free to send your thoughts and comments to me at nariman.farvardin@stevens.edu.

I wish you all the best for a wonderful holiday season.

Per aspera ad astra,

Nariman Farvardin
President
