

## Great Place to Work Survey Launches Today

**From:** Nariman Farvardin, President

**To:** Stevens Faculty and Staff

Stevens has earned Great Place to Work certification for three consecutive years — a recognition that belongs to all of you. It reflects our shared commitment to building a university where people thrive alongside our students.

I recognize this past year has not been easy. The challenges we've faced as an institution have been real, and many of you have felt their impact. Your resilience and commitment to this community matter deeply.

This isn't just about earning a certification. Goal 7 of *Stevens 2032*, our strategic plan, is dedicated to University Culture, and your feedback directly informs the objectives we set each year. When you share your perspective, you help shape priorities across every division.

The Great Place to Work survey, conducted by an independent third party, launches today, March 2 and remains open through Friday, March 13. It takes about 15 minutes to complete, and your responses are confidential — seen only in aggregate.

Look for an email from Great Place to Work (hello@invite.emprising.com). If it lands in your junk folder, it's still legitimate. Please take the time to share your honest feedback.

Your voice shapes Stevens. Thank you for making this community what it is.
