Jacob Ashkenas, Miles Bird, Robert Brandl, Kevin Castner, Rian Chowdhury, Julie Garry, Arianna Gehan, Matthew Kellerman, Haley Kirmaier, Alexander Leather, Grace Lee, Winston Lee, Philip Mascaro, Sidharth Peri, Aashutosh Kulakarni Prachet

DISTINGUISHED CHEMICAL ENGINEERING STUDENT AWARD

This award is presented to the student with the highest grade point average in the chemical engineering program.

Joseph Alcide, Rian Chowdhury, Isabella Furrick, Haley Kirmaier, Kieran O'Brien

BEST EXPERIMENT-BASED CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — Sustainable Lithium-Ion Battery Recycling

Angela Bevilacqua, Amrita Bose, Morgan Eckerty, Isabella Furrick, Sara Gardner

BEST SIMULATION-BASED CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — Power to Gas

Joseph Alcide, Haley Kirmaier, Kajetan Leitner

◆

UNDERGRADUATE SENIOR AWARDS

SPECIAL CHEMICAL ENGINEERING SENIOR DESIGN AWARD

This award is given for outstanding achievement in Senior Design in chemical engineering.

Project — Machine Learning for Molecule Design

Lucas Acocella, Dariya Baizhigitova, Jeena Park

BIOMEDICAL ENGINEERING OUTSTANDING SENIOR AWARD

This award is presented to a senior for outstanding academic performance and personal dedication to the biomedical engineering program.

Arianna Gehan

WARREN WELLS '42 DISTINGUISHED SERVICE AWARD

This award is named in honor of Warren Wells, whose generous donations helped establish the undergraduate physiology labs. It is presented to the senior whose time and energy has proven to be an invaluable resource in support of the undergraduate biomedical engineering program.

Ursula Oddo-White

CLINICAL ENGINEERING SERVICES, INC. DESIGN EXCELLENCE AWARD

This award is named in honor of Clinical Engineering Services, Inc. for recognition of their generous support of the undergraduate Biomedical Engineering Bio-Materials Testing Lab. It is presented to the senior who has demonstrated excellent command of the principles of biomedical engineering design.

Project — Hera Health

Sophia Mains, Lauren Smith, Aya Zaatreh

◆

UNDERGRADUATE SENIOR AWARDS

CLINICAL ENGINEERING SERVICES, INC. DESIGN EXCELLENCE AWARD

This award is named in honor of CES, Inc. for recognition of their generous support of the undergraduate Biomedical Engineering Bio-Materials Testing Lab. It is presented to the senior who has demonstrated excellent command of the principles of biomedical engineering design.

Project — Materna Tech

Nicholas Forcellati, Dylan Maund, Jana Mucci, Ursula Oddo-White

AMERICAN CONCRETE INSTITUTE AWARD

This award was established in 1967 by the New Jersey Chapter of the American Concrete Institute and is presented to the student with the highest grade point average in the Reinforced Concrete course (CE484).

Hans Drexler Rivero

ROBERT RIDGEWAY AWARD

This award is presented to the senior who has been most active on behalf of the student chapter of the American Society of Civil Engineers and has demonstrated a high academic aptitude.

Emily Leiby

SIDNEY F. BORG AWARD

This award is presented to the senior with the highest grade point average in the structural engineering courses in civil engineering, engineering (CE373, CE484, CE486, CE519).

Frank Gelfman

MATTHEW KLEMCHALK '01 MEMORIAL AWARD

This award honors a senior civil engineering student who excelled in Mechanics of Solids and in transportation-related courses.

Ayaz Khilji, Ryan Naulty

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING SENIOR DESIGN IN CIVIL, ENVIRONMENTAL OR NAVAL ENGINEERING

This award is given to the best senior design project in the civil, environmental or naval engineering programs.

Project — Pier Pressure

Stephen Crocco, Joseph Meditz, Caden Stott, Jacob Wills

BOSWELL ENGINEERING AWARD

This award is presented to the outstanding undergraduate student in environmental engineering as chosen by the faculty.

Maggie Hodges, Ryan Krawczyk

CIVIL, ENVIRONMENTAL AND OCEAN ENGINEERING AWARD

This award is presented to a student for outstanding contributions to department academic activities.

Julie Garry

DANIEL SAVITSKY AWARD

The award is named in honor of Dr. Daniel Savitsky, a longtime professor at Stevens Institute of Technology and a former director of the Davidson Laboratory. It is presented to the outstanding graduating undergraduate student in naval engineering as chosen by the faculty.

Gregory Harrison, Stephanie Searing

SOPHIA HASSIOTIS MEMORIAL AWARD

This award is to honor the memory and legacy of Dr. Sophia Hassiotis, a longtime, beloved professor of civil engineering. It is presented to an outstanding graduating senior who displays a passion and dedication for structural engineering. This award is sponsored by Professor Leslie Brunell, P.E.

Jacob Wills

◆

UNDERGRADUATE SENIOR AWARDS

THE EUGENE FEZANDIE AWARD

This award was established in 1958 in memory of Eugene Fezandie, professor of mechanical engineering, through joint efforts of his many friends. It is presented annually to the senior with the best average in the junior and senior years sequence of courses given by the Department of Mechanical Engineering.

**Miles Bird, Kevin Castner, Aashutosh Kulakarni Prachet,
Franklin Wong**

THE KENNETH J. MOSER AWARD

This award was established in 1976 in honor of the late Professor Kenneth J. Moser '28 through the joint efforts of his classmates, colleagues and former students. It is presented annually in recognition of outstanding performance in heat transfer.

Kevin Castner, Isara Cholaseuk, Nicholas Oblonsky

THE ARTHUR J. GRYMES, JR. BOOK AWARD

This award was established in 1963 by Mr. & Mrs. Harold A. Riley, John J. Wall, and Harry A. Taylor, Jr., in memory of Arthur J. Grymes, Jr. '18. It is presented annually to the senior who demonstrates the greatest interest or proficiency in fluid dynamics.

Franklin Wong, Leo Zhang

This award is presented to the senior who has demonstrated extracurricular involvement and leadership in departmental and campus activities and is clearly recognizable as a strong ambassador for the Department of Mechanical Engineering and Stevens Institute of Technology.

Sara Deudicibus, Erin Kreis

◆

UNDERGRADUATE SENIOR AWARDS

SENIOR DESIGN AWARD FOR MECHANICAL ENGINEERING

This award, established to recognize the best Senior Design project, is presented individually to members of the senior design group.

Project — Robuka

**Genesis Cevallos, Spencer Chen, William Hanna, Jamielyn Juan,
Amanda Murnick**

THE RICHARD B. COLE AWARD

This award was established in honor of Dr. Richard B. Cole, Professor of Mechanical Engineering from 1965 to 2006. It is presented to a mechanical engineering student who has demonstrated high academic performance, integrity and personal dedication.

Miles Bird

THE FERNANDO SISTO AWARD

This award was established in honor of Dr. Fernando Sisto, Professor of Mechanical Engineering from 1958 to 1996. It is presented to an outstanding student of turbomachinery and aerospace.

Joyce Lin, Nicholas Oblonsky

THE COLONEL JOHN STEVENS POWER AND ENERGY SYSTEMS AWARD

This award was established in honor of Colonel John Stevens, inventor and developer of steam power systems for maritime and railroad applications, and on whose land Stevens Institute of Technology was later founded. It is presented to an outstanding student of power and energy systems.

Faith Avila, Steven Sack

◆

UNDERGRADUATE SENIOR AWARDS

THE ANDREW CARNEGIE MACHINE SYSTEMS AWARD

This award was established in honor of Andrew Carnegie, steel magnate, trustee of Stevens Institute of Technology and benefactor responsible for the building of the Carnegie Mechanical Laboratory. It is presented to an outstanding student of machine systems and design.

William Hanna, Aashutosh Kulakarni Prachet

THE ELIE FONROSE AWARD

This award was established by the members of the Mechanical Engineering Class of 2009 in memory of their classmate Elie Fonrose. Mr. Fonrose was a firm believer that the progress of the human race goes hand-in-hand with the exploration of new frontiers. This award is presented to the student who shows promise of advancement in undergraduate research.

Isabella DiSturco, Mona Savalia

THE ROBERT H. THURSTON LEADERSHIP AWARD

This award was established in honor of the founding of the American Society of Mechanical Engineers at Stevens Institute of Technology in 1880. Professor Thurston established the mechanical engineering curriculum at Stevens in 1871 and was the first president of ASME. It is presented to an ASME Student Chapter officer who has demonstrated high leadership skills.

Thomas Fallon

BACHELOR AWARD IN ELECTRICAL ENGINEERING

This award is presented to the seniors with the highest average in the electrical engineering program during their junior and senior years.

Dorzhi Denisov, David Krauthamer, Philip Mascaro, Harris Pyo

◆

UNDERGRADUATE SENIOR AWARDS

PAUL M. CHIRLIAN AWARD

This award is presented to a graduating senior in electrical engineering or computer engineering who shows the most promise for pursuing a productive professional career.

Jason Li

STUART K. TEWKSBURY AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN COMPUTER AND DIGITAL SYSTEMS

This award was established in honor of Dr. Stuart Tewksbury, professor of electrical and computer engineering from 1998 to 2012. It is presented to a computer engineering student who has demonstrated high academic performance in studying computer and digital systems.

Shady Kamel

FRANCIS BOESCH AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN COMMUNICATIONS AND SIGNAL PROCESSING

This award was established in honor of Dr. Francis Boesch, professor of electrical and computer engineering from 1979 to 2007. It is presented to an electrical engineering student who has demonstrated high academic performance in studying communications and signal processing.

Cesar Espejo

HARRY HEFFES AWARD FOR OUTSTANDING UNDERGRADUATE STUDIES IN MATHEMATICS, MODELING AND SIMULATION

This award was established in honor of Dr. Harry Heffes, professor of electrical and computer engineering from 1990 to 2016. It is presented to an electrical or computer engineering student who has demonstrated high academic performance in studying mathematics, modeling, and simulation.

Dana Perry

◆

UNDERGRADUATE SENIOR AWARDS

ECE OUTSTANDING SENIOR DESIGN AWARD FOR ELECTRICAL AND COMPUTER ENGINEERING

This award is presented to the best Senior Design project in the electrical and computer engineering department.

Project — AutoBox

**Christopher Alessandri, Michael Banks, Elliott Braverman,
Marc DiGeronimo, Xavion McClary Fagan, Jason Li**

THE ALFRED M. MAYER PRIZE

This prize is presented annually to a member of the senior class who ranks first in lecture, recitation and laboratory courses in physics during their undergraduate career.

Gabriella Toryk

PHYSICS DEPARTMENT LEADERSHIP PRIZE

This award is presented to the undergraduate physics student who has demonstrated outstanding leadership skills to foster a stimulating intellectual environment for their fellow students.

Elizabeth Maggio

YOUNG WOMAN TALENT IN PHYSICS

This award is presented to a female student graduating with a Bachelor of Science in Physics who has attained the highest cumulative GPA in recognition of their dedication and achievements in career development.

Gabriella Toryk

◆

UNDERGRADUATE SENIOR AWARDS

SENIOR DESIGN AWARD FOR COMPUTER SCIENCE

This award is presented to the best senior design project in the computer science department.

Project — Development of Aerial Access Points for UAV (Drone) Networks in Space-Air-Ground Integrated Networks (SAGIN) for 5G and 6G Communications

Thomas Byrnes, Ella Crabtree, Aman Khandelwal, Joshua Meharg, Spruha Paradkar, Jessica Sabatino

COMPUTER SCIENCE DEPARTMENTAL AWARD

This award is presented to a graduating senior who is majoring in a program offered by the computer science department and has demonstrated high academic performance and personal dedication.

Danielle Dauphinais, Jessica Sabatino

STEPHEN L. BLOOM THEORETICAL COMPUTER SCIENCE AWARD

This award was established in 2011 in memory of Stephen L. Bloom, Professor of Computer Science from 1977 to 2010, by his many friends and colleagues. It is presented to a graduating senior who has demonstrated outstanding ability in theoretical computer science.

Ella Crabtree

THE ARI BIRNBAUM AWARD

Presented to a graduating senior who has performed outstanding service as a course assistant in the computer science department.

Jakob Gibson, Tyler Soiferman

◆

UNDERGRADUATE SENIOR AWARDS

THE LUIGI POLLARA AWARD

This award was established in 2000 in honor of Professor Luigi Z. Pollara by his friends and former students. It is presented to an outstanding senior who has displayed academic excellence in the areas of chemistry, chemical biology or chemical, biochemical and materials engineering.

Aisha Hussain, Laura Masciola

THE PRIESTLY PRIZE

This prize is presented to the member of the senior class who has most distinguished themselves in the chemistry department.

Austin Ruth

EXCELLENCE IN BIOLOGY AWARD

This award is given to the graduating senior who has most distinguished themselves in the biology program.

Teagan Polotaye

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN THE CHEMISTRY AND CHEMICAL BIOLOGY DEPARTMENT (FIRST PLACE POSTER AWARD)

This award is given to the student who has demonstrated excellence in their senior undergraduate capstone research project in the chemistry and chemical biology department and received first place in the Chemistry and Chemical Biology Research Day Poster Competition on May 3, 2024.

Michael Greenberg

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN THE CHEMISTRY AND CHEMICAL BIOLOGY DEPARTMENT (SECOND PLACE POSTER AWARD)

This award is given to the student who has demonstrated excellence in their senior undergraduate capstone research project in the chemistry and chemical biology department and received second place in the Chemistry and Chemical Biology Research Day Poster Competition on May 3, 2024.

Malak Aziz

OUTSTANDING UNDERGRADUATE RESEARCH AWARD IN THE CHEMISTRY AND CHEMICAL BIOLOGY DEPARTMENT (THIRD PLACE POSTER AWARD)

This award is given to the student who has demonstrated excellence in their senior undergraduate capstone research project in the chemistry and chemical biology department and received third place in the Chemistry and Chemical Biology Research Day Poster Competition on May 3, 2024.

Robert Teagan Polotaye

HUMPHREYS/ENNIS/LESSER AWARD

This award was established by Dr. Donald Merino in memory of professors Humphreys, Ennis and Lesser, all former professors of engineering economics at Stevens. It is presented to the senior with the highest grade point average in the required undergraduate engineering core courses.

Evan Ciok, Philip Mascaro

◆

UNDERGRADUATE SENIOR AWARDS

FREDERICK WINSLOW TAYLOR AWARD

This award is presented to the graduating senior who had the highest grade point average and who did the most to promote the undergraduate engineering management program at Stevens.

William Geissel

THE JOHN MIHALASKY AWARD

This award was established in memory of John Mihalasky, the longtime director and senior design coordinator of the engineering management program. It is presented to the senior design group in engineering management that has distinguished itself through its project.

Project — DiscGo

Nicholas Boggiano, Michael Conrad, Andrew Finateri, John Foreman, Stefan Major, Luke Mizus, Christian Pescatore

OUTSTANDING INDUSTRIAL AND SYSTEMS ENGINEERING DEAN'S AWARD

This award is presented to the graduating senior with a leading grade point average and who did the most to promote the undergraduate industrial and systems engineering program at Stevens.

Ryan Price

INDUSTRIAL AND SYSTEMS ENGINEERING SENIOR DESIGN AWARD

This award is presented to the senior design group in industrial and systems engineering who has distinguished themselves through the research of their project.

Project — EcoSpark

Regina DeMaio, Sakthivijay Jayaraman, Christopher Jung, Paraskevi Iordamlis, India Roemlein, Kevin Young

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING SOFTWARE ENGINEERING DEAN'S AWARD

This award is presented to the graduating senior who had a leading grade point average and who did the most to promote the undergraduate software engineering program at Stevens.

Jolene Ciccarone

SOFTWARE ENGINEERING SENIOR DESIGN AWARD

This award is presented to the Senior Design group in software engineering who has distinguished themselves through the research of their project.

Project — OpenTogetherTube Load Balancer

**Victor Giraldo Estrada, Carson McManus, Michael Moreno,
Christopher Roddy**

OUTSTANDING SENIOR DESIGN PROJECT — BUSINESS CONSULTING TRACK

This award is presented to graduating students for their exemplary research and dedication to their Senior Design projects in the field of business consulting.

Project — Boomerang Bites

**Jeffrey Eng, Eshita Jain, Himaya Jeyakumar, Mihika Rachamalla,
Sabrina Vuong**

OUTSTANDING SENIOR DESIGN PROJECT — BUSINESS CONSULTING TRACK

This award is presented to graduating students for their exemplary research and dedication to their Senior Design projects in the field of business consulting.

Project — The Hive

**Gabrielle Aloe, Lindsey Baratta, Clare Fitzgerald, John Irby,
Elissa Nsenkyire**

◆

UNDERGRADUATE SENIOR AWARDS

OUTSTANDING SENIOR DESIGN PROJECT — ENTREPRENEURSHIP TRACK

This award is presented to graduating students for their exemplary research and dedication to their Senior Design projects in the field of entrepreneurship.

Project — Leaf & Loom

**Ethan Chen, Phu-Quy Ho, Luke Hoerle, Hansel Kim,
Brandon Schwartz, Isa Yilmaz**

OUTSTANDING SENIOR DESIGN PROJECT — RESEARCH TRACK

This award is presented to graduating students for their exemplary research and dedication to their Senior Design projects in the area of research.

Project — Equitable Compensation of C-Suite Staff

Jake Bermudez, Renee Grunwald

OUTSTANDING ACADEMIC PERFORMANCE AWARD FOR BACHELOR OF SCIENCE IN BUSINESS

This award is presented to the graduating senior who has attained the highest grade point average in the graduating class within the Bachelor of Science in business.

Aditya Bhangale, Grace Lee

OUTSTANDING ACADEMIC PERFORMANCE AWARD IN QUANTITATIVE FINANCE

This award is presented to the graduating senior who has attained the highest grade point average in the graduating class in the quantitative finance program.

Sidharth Peri

◆

UNDERGRADUATE SENIOR AWARDS

SCHOOL OF BUSINESS INNOVATION AND ENTREPRENEURSHIP AWARD

This award is presented to a graduating senior who has, during their time at Stevens, demonstrated extraordinary innovativeness and entrepreneurialism in their academic and professional endeavors.

Carmine Timmoneri

OUTSTANDING SERVICE AWARD

This award is presented to a student for outstanding service to the School of Business. These students have actively served as leaders and ambassadors at school events and activities throughout their four years at Stevens.

Joseph Ames, Lindsey Baratta, Aditya Bhangale, Sid Bhatia, Elsa Bley, Lea Burton, Nathaniel Gee, Renee Grunwald, Eshita Jain, Nikki Leyderman, Serena Migdal, William Parente, Mary Savelyev, James Schade, Riley Sikorski, Danielle Valentino, Sabrina Vuong, Natalie Zoladkiewicz

JULIA AND FREDERICK BISSINGER AWARD

This award is presented to the student who demonstrates outstanding performance in the Bachelor of Arts program.

James Barra

JOSEPH M. FARBER MEMORIAL PRIZE

This award, in memory of Joseph M. Farber, recognizes a graduating senior majoring in one of the disciplines in the School of Humanities, Arts and Social Sciences who displays a keen interest in and concern for civil liberties and their importance in preserving and protecting human rights.

◆

UNDERGRADUATE SENIOR AWARDS

CAPSTONE AWARD BEST IN SHOW

This award recognizes outstanding achievement in the Visual Arts and Technology yearlong capstone project and exhibition.

Anya Speck-McMorris

CAPSTONE AWARD RUNNER-UP

This award recognizes outstanding achievement in the Visual Arts and Technology yearlong capstone project and exhibition.

Sydney Linford

CAPSTONE AWARD HONORABLE MENTION

This award recognizes outstanding achievement in the Visual Arts and Technology yearlong capstone project and exhibition.

Ashwin Ghera, Timothy Paczesniak

CENTER FOR ENVIRONMENTAL SYSTEMS HYDROGLOBE AWARD

This award, established by professors George Korfiatis, Christos Christodoulatos and Xiaoguang Meng, is presented annually to the senior capstone design project that best exemplifies research and entrepreneurship.

Project — Higbee Beach Wildlife Management Area Restoration

Michael Cunningham, Claire Hannan, Lauren Hiley, Maggie Hodges, Ryan Krawczyk

JOHN BARNES SENIOR DESIGN AWARD

Established by the Class of 2009, the primary purpose of the Fund is to support an annual award to a Stevens Senior Design group to pursue a project that merges John Barnes' interests in art and engineering.

Project — Haptic Hero

Sebastian Almonte, Emanuel Diaz, Richard He, Paul Leible, Hasumi Tanemori, Kimberly Tsang

◆

UNDERGRADUATE SENIOR AWARDS

DAVID AND GG FARBER SOCIETAL IMPACT AWARD

This award was established to create awareness among students of the impact their innovation can have on society at large and the power it has to improve lives all over the world.

Project — Mycoremediation of Heavy Metals

Maurice Chevalier, Paul Garipov, Sophia Schaefer

ANSARY PRIZE FOR STUDENT ENTREPRENEURSHIP (1ST PLACE)

This award was endowed by the Ansary Family to exemplify academic entrepreneurship. It is awarded annually to the winners of the Ansary Entrepreneurship Competition held during the Stevens Innovation Expo.

Project — Knee-se Does It

Jalen Bailey, Grace Fukazawa, Margaret Gibson, Brandon Sems

ANSARY PRIZE FOR STUDENT ENTREPRENEURSHIP (2ND PLACE)

This award was endowed by the Ansary Family to exemplify academic entrepreneurship. It is awarded annually to the winners of the Ansary Entrepreneurship Competition held during the Stevens Innovation Expo.

Project — TinnX

Nicholas DiMeglio, Rohit Jayas, Shady Kamel

ANSARY PRIZE FOR STUDENT ENTREPRENEURSHIP (3RD PLACE)

This award was endowed by the Ansary Family to exemplify academic entrepreneurship. It is awarded annually to the winners of the Ansary Entrepreneurship Competition held during the Stevens Innovation Expo.

Project — Pulse Pair-It
