

## Stevens Greetings

**From:** Nariman Farvardin, President

**To:** Stevens Students, Faculty and Staff

Dear Stevens Community and Friends,

As we embrace the festive spirit of this season, I extend warm wishes to each and every one of you. I am delighted to share a special treat with you this holiday season — a video greeting featuring original music composed and performed by Ashton Hummler, Aidan Munoz and Valentina Vasquez, talented students from the School of Humanities, Arts and Social Sciences.

This holiday video not only showcases the remarkable skill and creativity within our student body but also reflects the collaborative and innovative spirit that defines Stevens, of which we are all a part.

May the coming year be filled with new opportunities, growth and success!

*Per aspera ad astra.*
